## THE DEMERS DIFFERENCE

For 55 years running, we've been driven by the philosophy that every single detail counts towards making a superior vehicle. Our continual engineering enhancements, improvements and innovations make Demers' ambulances some of the safest on the road. Building on detail after detail, our ambulances have also achieved the best dollar-for-dollar value: ingenious design, ergonomics and our award-winning ECOSmart system contribute to the lowest total cost of ownership in the industry. Demers' details make outstanding ambulances that consistently exceed expectations. Ambulances engineered to keep your people safe-so they can keep on saving lives. Demand Demers.
