McNeilus Announces MacQueen as Exclusive Dealer for the Upper Midwest

The new partnership expands MacQueen's product offerings, enhances service and support for refuse vehicle operators across twelve states in the upper Midwest.

Dodge Center, MN (July 8, 2024) – McNeilus Truck and Manufacturing Inc., an Oshkosh Corporation (NYSE: OSK) business, today announced the appointment of MacQueen as its exclusive dealer for sales, parts distribution and service of McNeilus refuse and recycling products across the upper Midwest. This strategic partnership covers Illinois, Indiana, Iowa, Kansas, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota and Wisconsin.

MacQueen is renowned for its commitment to quality and exceptional customer service, making it an ideal partner for McNeilus. With numerous locations and a dedicated team of professionals, MacQueen is well-equipped to meet the needs of refuse vehicle operators across the upper Midwest.

"MacQueen has served the refuse market for more than 60 years, and we are proud to partner with McNeilus, an industry leader," said Mike Purdy II, president and CEO of MacQueen. "We look forward to continuing to advance our vision of delivering world-class solutions to enhance safety and quality of life in the communities we serve across the Midwest."

Working with experienced equipment dealers like MacQueen allows McNeilus to enhance its customer service and support network, ensuring operators have access to the best products and services in the industry.

“MacQueen has a stellar reputation for delivering high-quality products and outstanding customer service, and has deep roots serving the waste industry,” said Lee Dreas, vice president and general manager of McNeilus Truck and Manufacturing. “We are confident this will significantly benefit our customers in the upper Midwest by providing greater access to parts, service and support.”

MacQueen will represent and offer a wide range of McNeilus refuse and recycling vehicles tailored for both commercial and residential routes, including front loaders, side loaders, and rear loader product lines, and technology solutions including the McNeilus® Volterra™ ZSL™ electric refuse collection vehicle, ePTO technology, ClearSky™ fleet management solutions and CartSeeker™ curbside automation.
